

## TIA Members Provide Value to their Shipper Customers

- **High-Level of Service -**
  - Adhere to a code of ethics.
  - Operate their business with integrity.
  - Increased capacity through access to extensive motor carrier pools.
  - Strict compliance with the highest safety standards.
  - Better credit ratings and faster pay than non-member 3PLs.
- **Protection -**
  - Thorough Carrier Selection Process.
  - TIA Watchdog to protect customers from unethical motor carriers.
  - Model Contracts updated to address changes in government regulations.
  - Financially secure companies with comprehensive insurance coverage.
- **Trusted -**
  - Motor carriers trust TIA members to pay on time and operate ethical businesses.
  - TIA is the **only** Association dedicated to the 3PL industry.
  - TIA Members know the laws and regulations and understand their impacts.

***Protect your business, the next time you look to hire a 3PL to manage your transportation needs, ask if they are a TIA member.***
